

RIPRISTINO N°2 PALINE ESTERNE E
SOSTITUZIONE CON GLOBI LED

The image is a detailed architectural floor plan of a sports center. The main structure is a long, narrow building with a series of parallel lines representing seating or lanes. To the left of the building is a paved area with a brick-like pattern, and to the right is a green lawn. There are several circular symbols on the lawn, some of which are highlighted with a dark green color. A callout line points from the text 'RIPRISTINO N°2 PALINE ESTERNE E SOSTITUZIONE CON GLOBI LED' to two specific locations on the paved area. The overall color scheme is light green, grey, and white, with some dark green accents.
